

MODERN SLIDING DOORS

At Rockwood Design Services, we're excited to bring you the latest in home design. We're proud to introduce our Modern Sliding Doors—an urban chic alternative to traditional barn doors, perfect for today's interiors.

What makes our program stand out? It's designed for effortless elegance, with one price that includes:

Trend-Forward Sliding Doors: Choose from two distinct product lines, including a more minimalistic option for a clean, modern aesthetic.

Design Expertise: Our consultants will help you make selections that are perfectly tailored to your unique space.

Professional Installation: Our skilled team will complete the installation, and deliver seamless results with no hassle.

Elevate your space with Modern Sliding Doors from Rockwood Design Services.

The Magna Series

Premium Style,
Unmatched Quality

Statement Making Style

SLIDE IN STYLE

Your door, your way.

Pick your perfect barn door hardware! Choose from our standard track systems in black or stainless steel, or upgrade to one of our 3 premium options for extra style and function. Don't forget to add the finishing touches with optional handles and floor guides to complete the look.

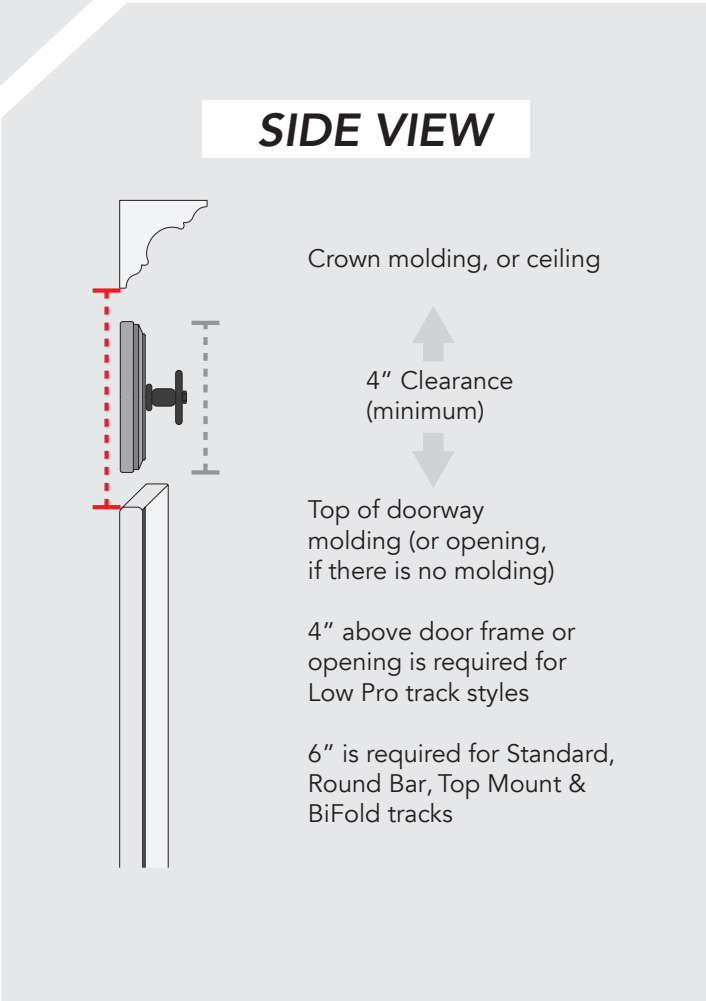

Magna Series: Zaftig Sway in Dove

IS YOUR SPACE RIGHT FOR A SLIDING DOOR?

MEASUREMENTS

In addition to the width and height of the door opening, make sure there is enough wall space to allow the door to open all the way. One doorway width (minimum) clearance is recommended. Please note, these doors do not seal and do not lock and there will be a slight gap between the wall and the door opening.
